

Dear Sir or Madam,

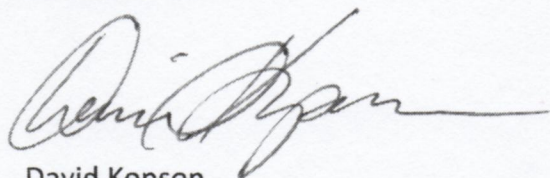

Jeff Garver is an asset to any team lucky enough to have him on staff. His ability to spearhead projects is invaluable and his creativity and attention to detail make him excellent at what he does: Translate marketing needs into compelling visual communications.

Jeff is adept at coordinating from a higher level and then, moments later, focusing in on the task at hand and executing with precision. He stays cool under pressure and has repeatedly demonstrated his ability to work to tight deadlines, as well as drive others to do the same.

Jeff is a natural morale booster in any situation, utilizing a rare combination of humor and non-sense dialogue to inspire commitment among his peers. He is steadfast in his dedication to high quality design, as well as overall mission success.

Please do not hesitate to contact me with any inquiries.

Respectfully,
